MEMORANDUM

To: Technical Committee
From: Terri Blackmore
Date: January 20, 2010
Re: 2010-2014 FAC – Urban Program

Background

The Washtenaw County Urban Federal Aid Committee met on January 6, 2010 to amend and extend the STP Urban funding program. WATS distributed a call for projects on December 4, 2009 to all agencies eligible for funding, non-motorized interests and to the WATS Policy Committee members. WATS received nine projects that cost an estimated \$10,829,000 dollars. WATS staff used the updated ranking criteria for the projects and provided a ranked list to the FAC Urban Committee.

The Urban Federal Aid Committee amended the program and fully funded it through 2014 with some projects included in 2015 and 2016 that were moved back or submitted as a priority. The attached spreadsheet “7A Urban Federal Aid Programs 1_6_10.xls” contains the recommended programs.

Action Requested

The Urban Federal Aid Committee recommends that Technical Committee review, adjust if necessary, and recommend for Policy Committee approval the list of prioritized projects including projects displayed in 2015 and 2016 as they include projects moved back from previously adopted programs.
